Master Arts Teaching (MAT) with an Emphasis in Secondary School Education

Requirements for Missouri Initial Teacher Certification

Prior to or upon Admission, students must make available official academic transcripts to the Coordinator of Educator Certification in the School of Education to complete and evaluation of coursework. Based on this transcript evaluation, the Coordinator of Educator Certification will identify the exact number of credit hours that an MAT candidate will require to complete initial teacher certification with respect to Missouri Department of Elementary and Secondary Education (DESE) requirements. Prior coursework, such as transfer courses and content area courses, will be identified from the students' transcripts. Using this evaluation, an academic advisor, in conjunction with the coordinator of Teacher Certification, will prepare a personalized program of study for the student. Students may be required to take more than the required coursework listed for the emphasis area. Students should talk to their advisor and the teacher certification professionals at Webster University throughout their program to understand how any changes to DESE requirements are accommodated in their personalized program of study.

Background Checks

Students are required to obtain various annual background checks prior to field experiences. The state requires current fingerprint clearance prior to issuing the teaching certificate.

State Assessments

To obtain a teaching licensure in Missouri, students are required to complete a number of state assessments. State required assessments are administered by designated agencies, and students are required to pay all associated fees. All state assessments are administered in a digital format. Students must pass the state-required content assessment examination
