General Admission Information

The University considers applications for admission on a rolling basis. The Admission Committee reviews applications as soon as all supporting documents have been received. Applicants are encouraged to apply at the beginning of the term or semester prior to which they wish to enroll. While the Office of Admission makes every attempt to accommodate students who apply at any time, applications completed less than one week prior to the beginning of a term or semester may not be reviewed before courses begin.

The application for admission to the St. Louis campus also serves as the merit scholarship application. February 1st is the priority deadline to complete the application for fall semester applicants who wish to maximize their consideration for scholarship, financial aid, and housing. Applications submitted for the fall semester after the February 1st priority date will be considered for scholarship, financial aid, and housing spaces on an "as available" basis.

Students should apply to only one Webster University campus. Applicants may contact the Office of Admission at their original campus to request a change in the Webster campus location of an existing application.
