Technology at Webster

Webster University offers many technology solutions to support students, faculty and staff. In using technology, students are empowered to be equal partners in their academic success. Here are some examples:

Student Schedule Changes

Students may change their schedules (drop/add) during the official drop/add period. Students may change their schedules (drop/add) up to and through the official drop/add period, but may need approval and assistance of an academic advisor.

Adding Courses

Students may add a course up to the day of the first meeting of the class through their Connections account or with their academic advisor. To add a class during the first week, the student must obtain instructor permission. If approved, the Advising Center or the Office of the Registrar will process the registration.

For online courses, students may add a course up to the Friday prior to the first day of classes through their Connections account or with their academic advisor. To add a course during the first week, the student must contact the Online Learning Center for instructor approval. If approved, the Online Learning Center will process the registration.

Dropping Courses

Students may drop a course through Friday of the first week of an eight-week, nine-week or semester course. Students may drop online through their Connections account or may contact an academic advisor. Informing the course instructor is not sufficient notice for dropping a course. Non-standard courses may follow a variable drop schedule; contact an academic advisor. The University reserves the right to drop students who do not attend class the first week of the term/semester. Students who do not log into their online class prior to the drop deadline will be dropped from the course.

Changing Sections

To change from one section of a course to another section of the same class, students must drop and add the courses during the drop/add period. Contact your Academic Advisor for assistance.

Waitlist

The university utilizes a waitlist system. The waitlist does not guarantee registration. Students should review their Course Schedule and talk with an academic advisor to confirm registration in a course.

Withdrawal from Courses

Students may withdraw from a course through Friday of the sixth week of an eight-week or nine-week course and the twelfth week of a semester course. Students may withdraw online through their Connections account or may contact an academic advisor. A grade of W will be recorded for the course on the academic record and transcript. Informing the course instructor is not sufficient notice to withdraw from a course, and may result in a WF, and is subject to standard academic policies.

Withdrawals are not allowed after the sixth week of an eight-week or nine-week course or after the twelfth week of a semester course unless there are documented extenuating circumstances. Students should meet with their academic advisor to initiate a review and complete the request form. Late withdrawals are not approved for poor academic performance. Military Students who are issued orders to "perform a period of service" that precludes them from being able to successfully complete the course, may initiate a withdrawal by consulting with their Advisor and

submitting a copy of their military orders via the Tuition Appeal Request form. In compliance with Public Law 117-328, any tuition and fees paid for the affected course will be refunded to the appropriate party and non-punitive grade of W (Withdraw) will be assessed.

For information on refunds and tuition waivers, see the Financial Information and Tuition, Fees and Refunds sections of this catalog.

Course Numbering System

- 1000-1999 lower division (freshman level)
- 2000-2999 lower division (sophomore level)
- 3000-3999 upper division (junior level)
- 4000-4999 upper division (senior level)

While courses are sequenced as lower-division through upper-division, juniors and seniors may elect introductory-level courses outside their major field of study.

Graduate-Undergraduate Registration

Courses in the 5000 series are graduate courses. An upper-division undergraduate student may enroll in them with the written permission of his or her advisor and the appropriate dean.

Courses in the 4000 series are upper-division courses in undergraduate studies. A graduate student may enroll in them with the written permission of his or her advisor and the instructor of the course. With written approval of the graduate program director, the credit may be applied toward the student's graduate degree. With prior approval, a maximum of 6 credit hours of 4000-level courses (with a B- or better) from Webster University can be applied to a graduate degree. Undergraduate Reading Courses (4610) and Apprentice Teaching (EDUC 4950, EDUC 4960, EDUC 4965, EDUC 4966, EDUC 4967, EDUC 4968, EDUC 4970, EDUC 4971, EDUC 4972, EDUC 4973, EDUC 4974, EDUC 4980 and EDUC 4981) may not be applied toward a graduate degree.

With the exception of the common core courses required for the combined BA/MA, BA/MS, BS/MA and BS/MS programs, courses in the 4000 or 5000 series used to complete an undergraduate degree may not be counted toward the credit-hour requirement for a graduate degree at Webster.
