- Act with concern for the safety and well-being of its associates.

Inquiry, discourse, and dissent, within the framework of an ordered academic environment, are seminal elements of a university community and of a free democratic society. - Students with a complaint must first attempt to resolve the issue at the school by completing the school's complaint process. Exhaustion of all informal and formal institutional processes, including both campus processes and any applicable system processes, is a prerequisite to filing any formal complaint with the Missouri Department of Higher Education & Workforce Development. (MDHEWD)
- If dissatisfied with the resolution of the grievance, the student may contact the department by calling (573) 751-2361 and selecting option 2.
- The student will be directed to submit the complaint in writing, using a complaint form provided by the MDHEWD. It may be mailed or faxed to the department and must include supporting documentation. If there is no indication institutional remedies have been exhausted, the complaint will be returned for that purpose.
