Transfer Equivalency

This document will provide information about how to access and use the online Transfer Equivalency Database at Webster University.
To access the database, use the following navigations from the Webster University homepage (www.webster.edu):

>   Admissions (from the top blue navigation bar) W Transfer Students (from Undergraduate Admissions section) W
>   Transfer Credit (under Transfer Students) W Equivalency Database (under Transfer Credit)

Or go to the following link: http://www.webster.edu/admissions/transfer/transfercredit/txfr-equivalency database.html

Once on the Transfer Equivalency Database page, select the school for which you would like to view equivalencies:
- x   Scroll through the list
- x   Select the corresponding letter from the Alphabetical Index
- x   Find transfer college by name using the Search bar

x   Select the blue arrow

x   Select GUIDES next to college listing in order to pull up any equivalency groups for that institution. (This is not an option for all colleges.)

    x   This will show available equivalency groups for the selected institution. (In this case, a list of Global Citizenship program courses for Saint Louis Community College.)
