

Transfer without AA Degree or Approved General Education Block:

Students transferring without completion of an approved associate of arts degree or approved block of general education credit will have previous college-level coursework evaluated on a course-by-course basis. The transfer guide will explain Webster University's general education requirements and direct students how

5. Three (3) credit hours from courses designated Arts Appreciation (ARTS).
6. Three (3) credit hours from courses designated Quantitative Literacy (QL).

No courses used to fulfill the requirements of a student's major may be used to satisfy GCP Course (Knowledge) requirements. Courses in a second major or in a minor or certificate program may be used to satisfy GCP course requirements.

Special accommodations for GCP are made for a small number of majors with high credit requirements. These are noted in the undergraduate catalog for the applicable majors. Questions should be directed to Webster transfer admissions counselor or academic advisor.
