5. Three (3) credit hours from courses designated Arts Appreciation (ARTS).
6. Three (3) credit hours from courses designated Quantitative Literacy (QL).

No courses used to fulfill the requirements of a student's major may be used to satisfy GCP Course (Knowledge) requirements. Courses in a second major or in a minor or certificate program may be used to satisfy GCP course requirements.

Special accommodations for GCP are made for a small number of majors with high course requirements. These are noted in the undergraduate catalog for the applicable majors. Questions should be directed to Webster transfer admissions counselor or academic advisor.

B. Skills Requirements:

1. All students must complete three (3) credit hours in courses coded for each of the following skills:
 - a. Written Communication (WCOM)
 - b. Oral Communication (OCOM)
 - c. Critical Thinking (CRI)
 - d. Intercultural Competence (IN)TC
 - e. Ethical Reasoning (ETH)

Courses used to fulfill requirements of a student's major may be used to satisfy GCP Skills requirements. Courses taken at Webster will likely be coded for a GCP course (knowledge) area and GCP skills area.

II) Undergraduate Degree Requirements: 6 credit hours as indicated below.

A. GLC 1200 Global Cornerstone Seminar -- For students who transfer to Webster University, a substitute for Global Cornerstone Seminar will need to be completed, either at Webster or in transfer. Courses in transfer that may be approved to meet this requirement include interdisciplinary studies courses, Liberal Arts seminar courses, or similar first-year courses offered at another college or university that focus on integrative learning and that are academic in nature. Basic orientation/intro to college courses would not be sufficient. Questions should be directed to Webster transfer admissions counselor or academic advisor.

Students from St. Charles CC who transfer with any associate degree or the Missouri CORE 40 general education block will have satisfied the GLC 1200 Global Cornerstone requirement.

B. Global Keystone Seminar -- This course is an upper level undergraduate degree requirement for all students, to be completed at Webster University. The course engages students in developing and using intellectual and practical skills to demonstrate their understanding of responsible global citizenship, through collaborative participation in meaningful, real-world projects and problem-solving experiences. Additional information, including Global Keystone course information, is available on the Webster University website.

Within the 90 hour maximum, only 64 hours can be lower division or community college coursework unless an approved associate's degree has been completed. If an associate degree has been completed, only the number of hours earned toward that degree will be transferred.

Duplicate coursework does not transfer.

Students must earn a grade of C or better in any course.
