

USING THIS GUIDE

This guide has been published to assist students in preparing for transfer from St. Louis Community College to Webster University for a Bachelor of Arts degree in Animation. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

ABOUT ANIMATION MAJOR AT WEBSTER

The BA in animation offers students the opportunity to learn core principles and techniques focusing on storytelling, motion, drawing, performance and expression through traditional and digital forms. Each student will undertake an intensive course of study including character animation, experimental concepts, fine art techniques and diverse applications, building a strong, global foundation before embarking upon an eventual area of concentration.

WEBSTER ADMISSION REQUIREMENTS

When considering an application, Webster looks for evidence of potential for academic success. A cumulative GPA on all college level coursework of at least 2.5 on a 4.0 scale is preferred; however, each applicant is given individual consideration. If you have circumstances which might affect your admission this may be discussed confidentially with a member of the admissions staff. The University operates on rolling admission, and application files are reviewed by an admissions counselor as soon as all requested credentials have been received.

Each transfer applicant must submit:

- A completed [Application for Admission](#)
- \$35.00 nonrefundable application fee
- An official transcript from St. Louis Community College, and an official transcript from other postsecondary institutions previously attended

All official transcripts should be sent to:

Webster University
Office of Admission
470 East Lockwood Avenue
St. Louis, MO 63119

IMPORTANT TRANSFER NOTES

- Webster University has a minimum residency requirement that 30 of the student's last 36 credits must be taken at Webster University. All students must have a minimum of 128 credit hours to graduate.
- Courses completed with a grade below a C do not count toward fulfilling the specific course requirements of the major or general education/Global Citizenship Program.
- Transfer students who have taken introductory coursework in the major should not expect to complete their degree in fewer than four semesters due to sequential nature of courses.
- Most students who major in the School of Communications must complete a portfolio review as a requirement for graduation. This portfolio review or its equivalent is the prerequisite for an Internship or Senior Overview. While the majority of work students will exhibit this review should come from assignments in their courses at Webster University, students may also include exceptional work they have completed at other institutions and
