The management program examines the relationship between an organization, its leaders and employees. This program is designed to help students develop the competencies as both a business professional and scholar practitioner with the capabilities to drive growth and innovation. In this program, students will acquire skills necessary to effectively manage people, analyze management problems, develop sound business practice and communicate effectively.

Applicants to Webster's degree completion programs should have successfully completed an associate degree or at least two years of college-level work (60 semester hours) with a cumulative grade point average (GPA) of 2.5 on a 4.0 scale. Transfer coursework should include at least one college-level writing/composition class and one college-level mathematics course. While the above profile is recommended, each applicant will be given a thorough individual review. When considering an application, Webster looks for evidence of potential for academic success.

Each transfer applicant must submit:

- A completed [Application for Admission](#)
- An official transcript from the South Carolina Technical System, and an official transcript from all other postsecondary institutions previously attended mailed to:

Webster University
Office of Admission

A minimum of

- Required course must be completed at Webster University once the student begins to matriculate at Webster University. Transfer courses taken prior to enrollment at Webster University may be used to substitute for required courses if accepted by the chair.
- No more than one course completed with a grade of D may count toward fulfilling the specific requirements of the major. All General Education/GCP courses must be completed with a C or higher.
- Webster University provides full transfer of coursework successfully completed as part of an associate degree awarded by a regionally accredited institution. While students with associate degrees typically transfer 60-64 credit hours, Webster will transfer in all coursework that is part of the completed associate degree. Transfer of additional lower-division credit beyond the associate degree is restricted. All transfer credit is capped at 90 credit hours.
- All transfer coursework must be college-level (100-level or above) with a passing grade. Pass/Fail courses will count for transfer credit if the student received a Pass. For repeated courses only the second grade will be counted. Incomplete grades are not accepted in transfer. Courses completed with a grade of D have severe transfer restrictions. Formal evaluation of transfer credit is conducted by the Office of the Registrar upon admission to the University.

Webster University requires all baccalaureate students to complete a general education program. The Global Citizenship Program (GCP) is a set of undergraduate degree requirements and a general education program developed by Webster University faculty to help prepare students to confront global problems and 21st century challenges.

Students who complete an Associate of Arts (AA) degree or Associates of Science (AS) degree from the state of South Carolina before transferring to Webster University will have satisfied the general education requirements and GLBC 1200 Global Cornerstone Seminar requirement of the GCP. All students are required to take the Global Keystone Seminar at Webster.

Students completing other associate degrees will have previous credits reviewed on a course-by-course basis for applicability to the GCP. See *GCP Transfer Guide developed for the South Carolina Technical College System*.

The following courses are required for all management majors/emphases. Please note that required courses must be completed at Webster University once the student begins to matriculate at Webster University.
