

USING THIS GUIDE

This guide outlines a path for degree completion. All Webster University transcripts should be completed at least one month prior to the start of the term. Transcripts submitted less than two weeks before the start of the term may not be reviewed in time for admission. For specific deadlines and entry dates, students should consult with their transfer admissions counselor. Students should note that earlier deadlines are required.

Webster University Remaining courses at Webster may vary if students do not follow recommendations listed in selecting EPCC courses
